

Intergenerational

healing

podcast listening

and collage making session

Join us for collaging and candle dressing in honor of our ancestors, what we have learned from them, and the energy we want to send back to them. We will listen to an episode of a podcast about trans-generational healing with Black queer feminist activist sisters, adrienne maree brown and Autumn Brown, eat pizza, and make art.

March 15, 2019 / 5:00 - 7:00 PM

New Urban Arts 705 Westminster St,
Providence, RI 02903

Hosted by the Brown University LGBTQ Center, the Sarah Doyle Center for Women and Gender, and the Brown Center for Students of Color
